# Home & Home+ Conclave

## Factsheet

### Objective:

To create a platform to enable Indian and international brands, manufacturers, designers and retailers to come together on a single platform and share best practices in Home & Home+ industry. The conclave also aims to bring innovations by various start-ups and also helps to connect importers, distributors, trade representatives, wholesalers, institutional buyers and interior designers from all over the country. The platform also enables new brand launches which can help them connect with retailers, dealers and distributors directly.

**Exhibitors' Profile:** Manufacturers, Brands, Importers, Service Providers like technology companies who wish to sell their solutions to brands, retailers and manufacturers from across India.

**No. of Exhibitors:** Divided into 3 zones across categories

**Attendee Profile:** Founder, Owners, MD, President, CXOs, Business team

Tracks

# Professional Development

Home & Home+ Conclave will bring new ideas and fresh perspectives. Each track at Home & Home+ features experts from every industry across 5 different aspects – Retailers, Brands, Manufacturer, Designers and Automation. Who knows what piece of wisdom or game-changing idea will find its way back to your office?

We've got 3 different tracks spanning every corner of Home & Home Improvement, from manufacturers, designers, brands, automation experts. You can choose topics and sessions that interest you most.

# Networking

Leading Business personalities, founders of the India's most successful brands, retailers, manufacturers and designers — you never know who you'll meet at Home & Home+ Conclave. Every track, sessions, and exhibition is an opportunity to network with the people who matter. Meet right stakeholders and further your business at Home & Home+ Conclave 2020.

After a day making connections at main stage, in various tracks and on the exhibition floor, the evening dinner takes networking to the next level.

# Market Insights

Home & Home+ Conclave is the perfect place for you and your team to understand trends, opinions and also gather vital information on your competition.

Discover the new-age companies making waves in Home & Home+ industry. Find out where you're ahead of the curve, and the ways that your company might be falling short. This is your opportunity to share ideas and exchange strategies with the people behind the India's most successful Home & Home+ companies.
